

Agganciare l'asta di comando solo dopo aver installato il sistema  
Hook the control bar only after having installed the system

**UTILIZZO / USE**

Per agganciare o sganciare la tenda; distribuirla in modo uniforme su tutta la larghezza  
To hang or unhook the curtain, distribute it evenly along the entire tracks's width

Se occorre tirare su il sistema senza tenda evitare di arrivare a fine corsa  
In case you need to pull up the system without curtain, please stop before you reach the end-run position
