MOSQUITO NETS / MOUSTIQUAIRES / FLIEGENGITTER / MOSQUITERAS

VERTICAL SPRING OPERATION / RESSORT VERTICAL FEDERANTRIEB

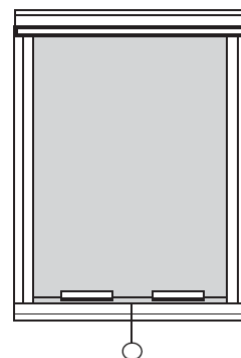

MANDO CON RESORTE VERTICAL

Le zanzariere proteggono gli ambienti grazie alla loro rete antinsetti. Sono indicate sia per porte sia per finestre, poiché sono disponibili diversi modelli per soddisfare ogni esigenza:

- a molla o catenella, con apertura verticale, laterale o centrale
- con telaio fisso
- a porta battente, con una o due ante
- saliscendi, con apertura verticale scorrevole, con apertura laterale

I profili sono disponibili nei colori argento, bronzo, avorio, bianco, verde, marrone e nero.
